IN NOVEMBER & DECEMBER...

We've got **Christmas** all wrapped up in this bumper festive edition!

Here you'll find a mix of traditional favourites and modern alternatives, that enable us to confidently meet the ever changing tastes and dietary requirements of the contemporary consumer.

As we reflect on the challenges this year has brought, we remain in admiration of our customers,

our suppliers and our hardworking staff who have managed to adapt to everything that has come their way.

Let's look forward to a buoyant festive period, one that we all so desperately missed out on last year.

We thank you for your continuous support and wish you all a very Merry Christmas - Nadolig Llawen i chi gyd.

Turkey Paupiettes

1 x 16 **POA**
Stuffed Turkey Paupiettes are ideal for banqueting and look fantastic when carved out on to the plate. Not only do they look great but if you are looking for a fixed portion size and a fixed portion price these will fit the bill perfectly. Each Paupiette is stuffed with a sage sausage meat stuffing which is topped with cranberry sauce then wrapped in smoked streaky bacon. Portion size is 200-240gs, ample for even the hungriest dinner.

Indian Monsooned Malabar Beans

So named because it is seasoned in the monsoon winds. Strikingly original flavour characteristics, especially delicious as their light sweetness and rich body works wonders in all coffee brewers. The distinctive 'aged' spiciness is smooth and velvety, with hints of vanilla and a long and satisfying finish.
